

## SPONSOR A TILE

### ST BARNABAS CHURCH – BRAMPTON BRYAN

Why not get involved by supporting the restoration work taking place at this historic church? We have been awarded a large Heritage Lottery Grant. There will be opportunities to learn more about the history, how the roof was constructed, and to discover the original footprint of the building. By sponsoring a tile, you will be helping preserve this church and we will display the names of the sponsors in the church.
